11.12 The Company will carry out reconciliations of records and Client Money with the records and accounts of the money the Company holds in the segregated client account(s) on a daily basis. If a transfer is required to or from the segregated client account(s) this will be done three times every week. The Company has the right, but not an obligation, to carry out reconciliations and transfers more frequently, if it considers that this is necessary to protect the Company's or a Client's interests.
